FRUIT TREES and PLANTS

GRAPE VINES - ASPARAGUS - BERRY PLANTS

The fruit trees and plants we offer have been well grown, are government inspected and will be handled and packed to reach you in fine condition. Owing to shortage of help the supply is very much below normal and we urge you to order early.

The trees offered are too large to be shipped parcel post and will be shipped via express.

Plan to plant this spring and take advantage of this year's growth. Fruit is food. Grow your own as much as possible.

APPLES

The apple trees we offer are sturdy, well grown, **three-year-old**, 5 to 7 feet tall. Well rooted, free from disease and government inspected. These are top-size, first quality trees. See price schedule at right.

6-yr. Bearing Age Apple, 7 to 9 ft. tall. Varieties marked with star*
\$3.50 each; 3 for \$10.00; 6 for \$18.00.

Anoka. Red striped apple. Juicy and rich. A fall variety. Bears younger than any other variety.

***Cortland.** An all-red variety. Keeps well into winter. White flesh, fine

Jonathan. Early winter. Bright red and very juicy. Fine for eating and cooking. Flesh white and snappy. Very fine.

***McIntosh.** A fine large red winter apple of fine quality for eating and cooking. Bears heavily and young. A fine home and market variety.

Red Astrachan. A fine August cooking apple. Red striped yellow. Heavy cropper. Sturdy grower.

***Stayman Winesap.** A fine dark red winter apple. Splendid keeper. A heavy bearer of finest quality eating and cooking apples. A very fine variety for Ohio and central states.

***Wealthy.** A very hardy early winter apple. Red, fine quality, very juicy and of finest flavor. Good for eating and cooking. A very fine cider apple.

***Yellow Transparent.** A very hardy variety. Earliest, ripening in July. Very fine quality for cooking and good to eat also. This is the finest early variety.

York Imperial. A fine quality winter apple. An oblong apple. Yellow, shaded red. Yellow flesh. A fine shipping variety and commands high prices.

Transcendent Crab. A very fine variety. Yellow and red and very juicy. Quality the finest and a heavy cropper. Excellent for jellies, spicing and crab-apple cider.

QUINCE, ORANGE. Fruit is large and round, bright yellow and good

size. Flesh is tender, juicy and excellent flavor. Trees bear very young and are dwarf in habit. Fruit is fine for preserves and jellies. 3-yr. trees, 4 to 5 ft., \$1.50 each; 3 for \$4.00.

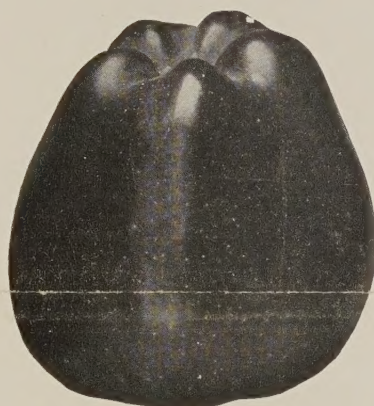

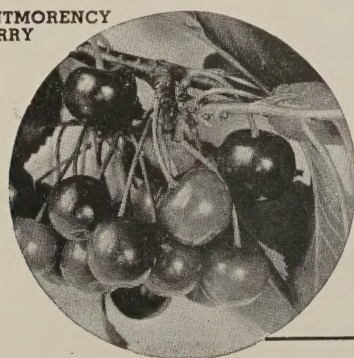

ELBERTA PEACH. Large yellow with red cheek. Freestone ripening in mid Sept. Flesh is yellow and firm, juicy and fine flavor. Fine variety for canning. 2-yr. trees, 3 to 4 ft., \$1.00 each; 3 for \$2.75.

BARTLETT PEAR. The finest quality pear and probably the best all around variety for home use. Large yellow pears in August of finest quality. The tree bears young and abundantly. 3-yr. trees, 5 to 6 ft., \$1.75 each; 3 for \$5.00. 6-yr. trees, 8 to 9 ft., \$3.50 each; 3 for \$10.00.

Northern Spy. Large scarlet red with yellow markings. Flesh juicy, rich, crisp and highly flavored. Strong, erect grower and bears heavily. A fine early winter variety.

MONTMORENCY CHERRY. The most popular of all varieties. Large dark red fruits with small seeds. The best variety for all around home use and canning. This fine pie cherry ripens in midsummer and bears large crops of fine fruit. Nice size trees, 4 to 5 ft., \$1.60 each; 3 for \$4.50.

ASPARAGUS**

ELDORADO BLACKBERRY.

For home and commercial plantings. A heavy yielding variety, large firm berries of finest quality. Probably the finest blackberry variety. **6 for 60c; 12 for \$1.00; 25 for \$1.75; \$6.00 per 100.**

MARCY RED RASPBERRY.

One of the newest and finest red raspberries. Strong grower, heavy bearer of large size finest quality fruit. We offer strong, well rooted plants. **6 for 75c; 12 for \$1.25; 25 for \$2.00; \$7.50 per 100.**

CUMBERLAND BLACK RASPBERRY. Probably the best black raspberry, large berries of finest quality. Firm, fine flavor and very productive. **6 for 60c; 12 for \$1.00; 25 for \$1.75; \$6.00 per 100.**

GOLDEN QUEEN RASPBERRY. A yellow fruited raspberry, hardy and sweet flavor. Large fruit and prolific. A distinct novelty for the home garden. **6 for 85c; 12 for \$1.50; 25 for \$2.75; \$10.00 per 100.**

BOYSENBERRY. A fairly new variety. Large red berries somewhat like blackberries but with a distinctive flavor. Rich, juicy and very prolific. **6 for 75c; 12 for \$1.25; 25 for \$2.00; \$7.50 per 100.**

PREMIER STRAWBERRY. The leading early market berry. Unusually healthy. Its deep heavy roots make it drought resistant. Bears heavily with large bright red, firm berries of fine flavor. **25 plants 60c; 50 for \$1.00; 100 for \$1.75; 250 for \$3.75.**

PREMIER STRAWBERRY

RUBY RED RHUBARB. A fine new variety. Stalks are intensely red and flesh is red. It makes a fine red sauce. Tender and very fine flavor. The very best. **Each 40c; 3 for \$1.10; 6 for \$2.00.**

HORSERADISH. Plant a half dozen roots of Maliner-Kren, the kind that "bites" and you will soon have your own supply of the finest horseradish. We offer whole crown roots. **Each 10c; 6 for 50c.**

GRAPE VINES

Our 2-year-old vines soon come into bearing and grapes are almost a sure crop. They blossom late and are easy to handle. Plant them about 8 ft. apart. Plant some this spring and soon have your own fine grapes in abundance. **Fine 2-yr.-old, No. 1 vines. Each 50c; 3 for \$1.30; 6 for \$2.50.**

Concord. Most popular variety. Black or dark blue. Large clusters of firm berries. Finest flavor. Juicy, sweet and tender. Prolific bearer.

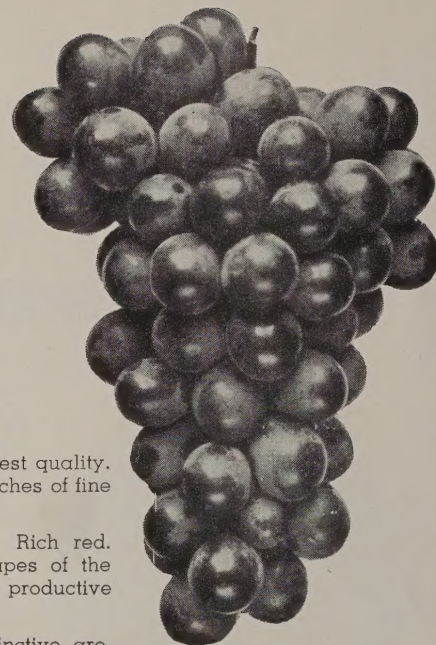

Fredonia. Very early dark blue. Very hardy. Large bunches of fine berries of delicious flavor. Juicy.

Niagara. A sweet white grape of finest quality. Hardy and very prolific. Large bunches of fine tender juicy grapes.

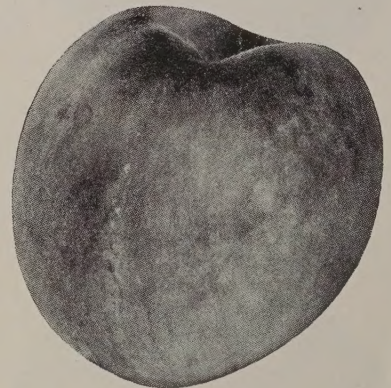

Delaware. The little honey grape. Rich red. Small clusters of small tender grapes of the sweetest and finest flavor. Very productive and are they good!

Agawam. A large grape with distinctive aromatic flavor. Deep red in color. Hardy and very productive.

Caco. Red. Midseason. Fruit is large and very handsome, rich wine-red. Excellent flavor. This variety is a cross between Concord and Catawba, the island wine grape.

CONCORD GRAPE

ELBERTA PEACH

NUT TREES

Hardy rich flavored varieties that will soon bear. We offer nice trees 2 to 3 ft. tall. **Each 50c; 3 for \$1.25; 6 for \$2.20.**

Black Walnut. The old fashioned black walnut. Yields good crops of fine well-filled nuts which everybody likes.

Butternut. Native tree producing long, well-filled nuts of rich flavor.

American Hazelnut. A bush rather than a tree. The nuts come in abundant clusters. Round and tasty. Bears very young.

PARADISE ASPARAGUS. The latest variety and probably the finest; large, white, tender tips of finest quality. This variety is nearer rust proof than any other. You can easily grow your own fine asparagus with this fine variety. **12 plants for \$1.00; 25 for \$2.00; \$5.00 per 100.**
